## BIOGRAPHY

- ELL is a pop artist who writes about his personal journeys traveling far
- from home to pursue his dreams, falling in love, finding himself, and
- returning to his roots. Visions of beauty and truth permeate throughout his music, tapping into the corners of every lovers brain; bringing these things to life with his gift for vibrant storytelling and sweet melody.

## MISSION

“Throughout history the arts have connected community to culture and heritage, providing humanity with a greater understanding of who we are, where we come from, and to where we are going. ELL would like to give his time and efforts in serving his community, providing art that inspires, heals, and motivates.”

## STORY

ELL's career has lead him to perform music all across the United States, South America, the Dominican Republic, the Mediterranean, and the Middle East. He has performed for nationally known showcases at The House of Blues (Los Angeles), RAW Artists Awards (Minneapolis), and toured with Norwegian Cruise Lines (Seven Seas Voyager). He has performed with tour groups Decree, The Family Vines, 3 AM, and The Sunshine. ELL hails from the North-Central Midwest Region and is absolutely grateful to be continuing to share his music with audiences across the world.
